Good morning

A reminder that per your specific directions, the \$400 rent for Medellín were deposited every month in the portal TurboTenant, in the 550 W Surf St Apt 504 board, in order for you to keep doing your shady accounting moves and your disastrous management decisions. The payments from our part were made.

The balance of the rent, “**magically**” passed from \$800 to \$4,000 between your last two emails in the last week. Showing your inconsistency in terms of your narrative and your lack of transparency.

I remind you that what is claimed in the email that precedes this communication, lacks coherence, certainty and doesn’t reflect the reality.

Here get proven, once again, your lack of integrity and honesty.

Dear [Luisa/Sharon],

I hope this message finds you well. As part of our ongoing financial reassessment for ARIBIA LLC, I wanted to formally address the outstanding rent on the Medellín property and how it impacts the broader reassessment of ownership, contributions, and asset allocation within the company.

Please review the attached memorandum which provides a detailed overview of the rent status, the financial impact on ARIBIA LLC, and the necessary steps moving forward.

It is important to ensure that we are all aligned on the financial obligations associated with ARIBIA's properties, including the Medellín property.

Please find also in the attached memorandum a proposed payment plan, and its implications for the company's financial reassessment. The first payment under this plan, which includes both the current rent and the initial payment toward the outstanding balance, is due this **Friday, September 6, 2024**.

In brief:

- **Total Past Due:** \$4,000.00
- **First Payment Due by Friday, September 6:** \$600 (\$400 for current rent + \$200 toward the outstanding balance)
- **Ongoing Payments:** \$600 per month (\$400 for rent + \$200 toward the balance) until the total balance is repaid.

LuLu, it is important that you confirm acceptance of this payment plan and make the first payment by Friday, September 6, 2024, to avoid further action.

If no response or payment is received by the specified date, further action will be taken, which may include reassessment of ownership stakes and additional remedies to protect the company's financial stability.

Please review the attached memorandum for more details, and feel free to reach out if you have any questions.
