

Subject: Final Notice and Follow-Up on Morada Mami Rent and ARIBIA LLC

Date: October 27, 2024

Hi Luisa,

I hope this message finds you well. I'm following up on the serious situation regarding your removal from ARIBIA LLC and the overdue rent for Morada Mami. As of today, the rent remains unpaid, which puts both the property and your family's ability to remain there at risk.

Outstanding Rent Payments (as of October 27, 2024):

1. **June 2024 Rent Due:** \$400
2. **July 2024 Rent Due:** \$400
3. **August 2024 Rent Due:** \$400
4. **September 2024 Rent Due:** \$400
5. **October 2024 Rent Due:** \$400

Prior Contested Amounts Due:

1. **September 2023 to February 2024 Rent (6 months):** \$2,400

Total Outstanding Balance Due: \$4,400

To prevent this from escalating, we need an immediate response from you. If we don't hear back by **October 31, 2024**, we will notify the HOA of the non-payment, which may lead to additional fees, fines, or access restrictions, further impacting your family's living situation.

I would like to find a resolution that avoids these steps. I'm open to working on a payment plan to bring the account current, and if there are specific concerns about the total amount owed, I'm available to discuss them.

Please be aware that without a response, we will have no choice but to initiate legal measures to recover the full amounts owed, including unpaid rent and costs related

to incomplete work by Alejandro. This is a final opportunity to resolve the matter before these actions begin.

If you're willing to discuss a path forward, please reach out so we can work toward a solution that benefits everyone involved.

Thank you, and I look forward to hearing from you soon.

Best,
Nick Bianchi
President ARIBIA LLC
