OI left in the closet the things that are for guests
Our pillows/sheets are in a big plastic bag (the ones you can vacuum)
Are all mixed yours and mine
If I'm not wrong, the bag is in 211 storage, if not it's in my storage and I'd have to go tomorrow or Friday to get them and give them to you

Hi there - hope you're well. Couple of questions. I am trying to get ready for my cousin and am looking for the purple sheets for the purple mattress. Do you remember where you packed them? I thought maybe you left them in the closet with the others but could not find them?
