Ref: Engagement to perform legal services

Dear Nick,

We are pleased to provide you with our services to present possible legal solutions for your current situation with tenants who have defaulted on rental payments owed under the lease agreement to which they are subject.

This engagement letter outlines the scope of services we will provide, which include a legal opinion, a letter notifying debtors of their default, and obtaining a public deed at a notary.

1. Scope of Engagement:

Our services will consist of a legal opinion in which we provide solutions to your problem, analyzing the advantages and disadvantages of each option, allowing you to make more informed decisions based on Colombian laws.

Also a letter addressed to the individuals who have failed to make payments, not necessarily proposing payment methods, but emphasizing the specific judicial consequences they may face for non-payment and failure to vacate the property.

Our firm will be in capacity to perform the above services under the following areas of law:

- Foreign Exchange Law;
- Corporate Law;
- Contract Law
- Tax Law (Domestic and International)

Finally, we calculate that our services will be implemented in a period of four (4) weeks. No later than one (1) week after we initiate the process, we will send a request for additional information in order to render the Services.

2. Explicit Exclusions:

The services delivered to you when furnishing the Services will be limited to the areas of law indicated in the Scope of the Services.

3. Conflicts of Interest.

Our firm represents multiple clients across various sectors. In certain instances, our clients may have business dealings, negotiations, or disputes, including litigation, with other clients of the Firm. By accepting this engagement, you consent that we may, in the future, represent existing or new clients in matters involving or relating to you, including litigation against you or other matters that may be directly or indirectly adverse to your interests, provided that such matters are not substantially related to this representation or any other matter on which you engage our Services.

For instance, you agree that we may represent debtors, trustees, examiners, or official committees in bankruptcy cases in which you are a creditor or have a party interest, even if your interests are adverse to those debtors, trustees, examiners, or official committees, as long as our representation is not substantially related to our work for you.

After a thorough review, we confirm that there are no existing conflicts of interest that would prevent us from representing you in this matter.

While I would prefer a less formal method of confirming the terms of our engagement, our experience shows that having a written confirmation is beneficial to both parties. Additionally, in certain cases, the Firm is legally required to document these matters in writing.

Please review this letter and, if it aligns with your understanding, kindly indicate your acceptance by returning a signed copy to me at your earliest convenience. Should you have any questions or concerns, do not hesitate to contact me.
