First of all
It doesn't exist any documentation that supports your claims

Secondly, once AGAIN, I sent already proof of all the payments to the property in Medellin in the last emails.

All your claims are false and show again and again your lack of honesty and integrity and also your much free time you have to create this fake narrative

Dear Luisa,

I hope this email finds you well. Please find linked

☐ [Final Demand for Payment 2024 10 07.pdf](#) regarding your outstanding financial obligations to ARIBIA LLC.

As of October 7, 2024, your total unpaid balance stands at \$17,820. The document outlines the specific amounts due, the payment deadline of October 14, 2024, and instructions for settling the balance via wire transfer to our Mercury Bank account.

Failure to make this payment by the stated deadline will result in further actions, including deduction from your vested interest in ARIBIA LLC and potential legal collection efforts.

If you have any questions or would like to discuss the details further, please feel free to contact me directly at nick@aribia.llc. We are open to discussing a payment plan or other arrangements if needed, but immediate action is required.

Thank you for your prompt attention to this matter.

Best regards,
