Subject: Fw: Service suspended for non-payment

Dear LuLu,

I'm forwarding this notice from Xfinity regarding the suspension of the phone service under your line. The current outstanding balance is \$339.42, and payment is required before November 5, 2024, to avoid permanent disconnection of the service.

You had previously expressed a desire to make this payment directly to Xfinity, and I have provided the information to do so. To make this as simple as possible, I've included the Quick Pay link and information below once again for your convenience:

- Link: Xfinity Quick Pay
- Phone number: 904-309-3623
- Zip code: 60613
- Amount Due: \$339.42

Please confirm once this payment is made to avoid further disruptions.

If the payment is not made, the line will be disconnected, and additional reconnection fees will apply. Any further delays will also be factored into the total outstanding balance you owe to ARIBIA LLC.

I look forward to resolving this promptly.

Best regards,
Nicholas Bianchi
President, ARIBIA LLC

Avoid service disconnection

Your Xfinity Mobile service was suspended because we have been unable to charge your Mastercard on file. If you do not update your payment information to address the \$339.42 balance on your account, your service will be disconnected.

If your Xfinity Mobile service is disconnected, you will be required to reapply for Xfinity Mobile service and pay the full outstanding balance to restart Xfinity Mobile services.

To avoid service disconnection, update your payment information before November 05.
